Elementary Celebrates
20 Years of Excellence!**

Leave a legacy commemorating Buckalew's 20th anniversary! Adopt a customized brick in Buckalew's schoolyard, and show your Buckalew Bear spirit! Your legacy brick will bring smiles to children for many years by funding **new playground equipment** and **essential enrichment programs**. The permanent installment will be outside the biker/walker door, replacing gravel with a safer and cleaner school path. Visit your brick anytime for years to come! Whether you have a current Buckalew Bear or a Buckalew graduate, this would make a perfect gift. You will always be a part of our Buckalew family!
